Dear Ms. Fleming,

Thank you for your letter dated November 21, 2007 regarding Campaign for Working Families Mid Year Report (1/1/07 6/30/07). We respond to your inquiry below.

The first item references a negative opening balances and closing balances. One is a result of a credit issued by the vendor for an error in our direct mail production. We will be calling the FEC seeking assistance in the proper way to correct this balance. The second item is negated by a corresponding transaction for the same amount. We will be seeking assistance from the FEC on this as well.

The second item references depositories not listed on our statement of organization. We will be amending our Statement of Organization to reflect these depositories.

The third item is regarding expenditures made for Consulting Political Fundraising. These costs were incurred to raise money for the PAC and we will amend our report to read as Consulting PAC Fundraising.

The forth item is regarding an expenditure described as Media. This is a cost associated with the recording and reproduction of candidate interviews in our evaluation process and was not a public communication.
